

Time Advantage Service brings overseas so much closer to you

Midwest Time Advantage (MTA) East Coast Time Advantage (ETA)

- *Providing same transit time and quality from anywhere in the world to all the major cities in the Midwest and the East Coast*
- *Benefit from the cost effectiveness of using a trucking service instead of an airline connecting service to the final destinations*

Same Transit Time Service available daily to all major cities in the Midwest and the East Coast

- Shuttle trucks are scheduled daily from our CFS at CHI (MTA) and JFK (ETA) gateways to the final destinations in the major cities in the Midwest and the East Coast.
- Ability to retrieve cargo into our CFS within 4 hours of flight arrival even during late night hours.
- Customs clearance to be done prior to the actual arrival of the goods.
- Delivery of goods to be made to their final destinations from our gateways as early as the following morning.

Smooth Cargo Transfer

Our CFS at both gateways have been certified by TAPA (Technology Asset Protection Association). The facility is monitored by NEU employees for 24 hours 7 days a week. CCTV are installed both in and outside of the facility.

Competitive Price

- Save time and money by using our international consolidation services into our gateways and our very own regional shuttle trucks to the final destinations in each region.
