(b) to any other warehouse or place of storage, whether prior to or at the destination named in the policy, which the Assured elect to use either

(i) for storage other than in the ordinary course of transit

or

(ii) for allocation or distribution,

or

(c) on the expiry of 60 days after completion of discharge overseas of the goods hereby insured from the oversea vessel at the final port of discharge,

whichever shall first occur.

If, after discharge overseas from the oversea vessel at the final port of discharge, but prior to termination of insurance, the goods are forwarded to a destination other than that to which they are insured hereunder, this insurance whilst remaining subject to termination as provided for above, shall not extend beyond the commencement of transit to such other destination.
